# How to install
DORDOGNE
Xbox Gamepass PC

XBOX GAMEPASS PC

Download the Xbox App:
To access the **Xbox Game Pass** on your PC, you'll need to **download the Xbox app** from the **Microsoft Store**.
On the **Microsoft Store** page for **Xbox Game Pass**, you'll need to write "**Xbox**" in the **search bar** on the top of your screen.
Make sure you're connected to your Microsoft account.

The Microsoft Store will now take you to the **Xbox** app page. Click on the "**Get**" button to **download and install the app** on your PC.
After downloading the app, click on the "**Open**" button.

XBOX GAMEPASS PC

**Subscribe to Xbox Game Pass to Access Dordogne:**

To access **Dordogne**, you will need an **Xbox Game Pass subscription**.

Navigate to the main page of the **Xbox app** and click on "**GET GAME PASS**".

You will then have the option to select between two subscriptions.

For Xbox Game Pass on PC, we recommend choosing the PC Game Pass.

After selecting your plan and completing the subscription process, you can **access Dordogne** through the **library of Xbox Game Pass**.
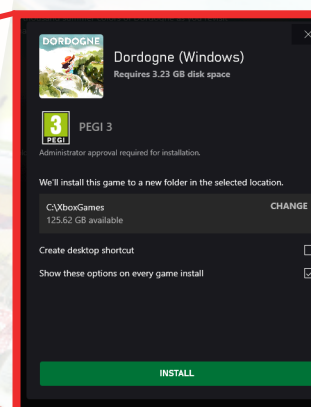

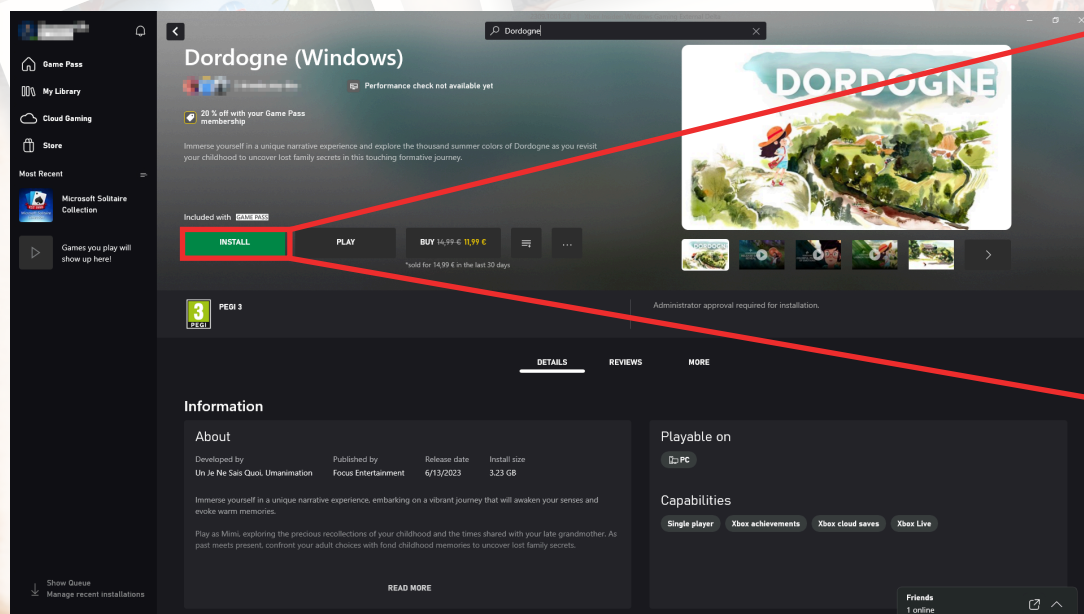

XBOX GAMEPASS PC

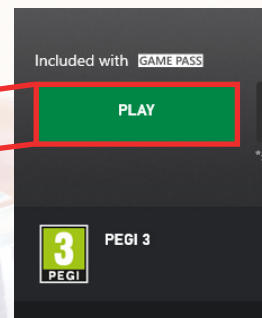

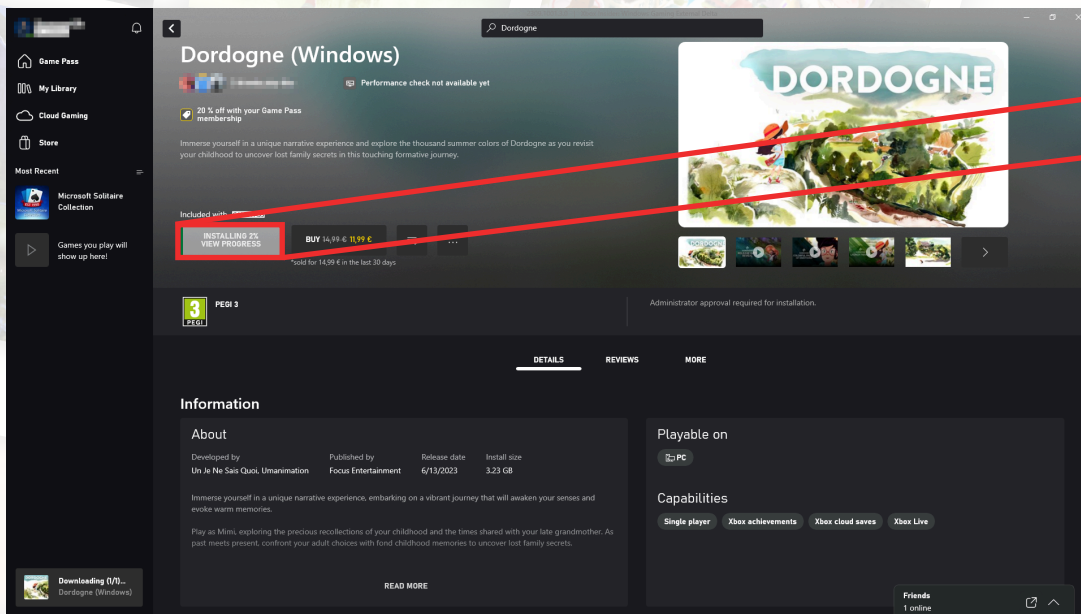

Explore the Game Library:

On the **Xbox Game Pass page**, you'll find a list of games available in the library. Browse through categories or **use the search bar** on top of your screen to **find Dordogne**.

Install "Dordogne":

When you find "**Dordogne**" that you want to install, **click on its icon** to access the details page.

On the details page, click the "**Install**" button to **download the game** to your PC.

XBOX GAMEPASS PC

Play "Dordogne":
Once the game is installed, you can launch it by clicking on its icon in the Xbox app.
Enjoy playing "Dordogne" on your PC using your keyboard, mouse, or a compatible game controller.
